

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a decidedly biased action in an open election which violates Federal election law.

This is not a news story as asserted by Sinclair Broadcasting but rather a propagandistic attempt to discredit a candidate for the nation's highest office. It would go without saying that if a rival broadcasting group were to decide to air Fahrenheit 911 pre-empting prime time programming that it would be contested by the Bush supporters as unlawful use of the airwaves.

I am asking the FCC to put Sinclair Broadcasting on notice that they would be in breach of Federal election law if they are to broadcast "Stolen Honor". This is nothing but a thinly disguised attempt to sway an election using the public airwaves and our citizens tax dollars to proselytize for Sinclair's partisan interests.

Help put a stop to Sinclair's un-American and unfair plan.
